## CONSTITUTION.

AS AMENDED JUNE 4, 1914; JUNE 3, 1915, AND JUNE 1, 1916.

ART. 1, SEC. 1. The United States Naval Academy Graduates' Association is established for the purpose of promoting kindly feeling and social intercourse among its members, of fostering the memories of the Naval Academy, and of preserving the records of all the graduates.

SEC. 2. It shall be a fixed purpose of the Association to uphold the moral tone, the intellectual standards, the traditions and the esprit of the Naval Academy and of the United States Navy, and to exert its influence to prevent the decline of the high ideals of the Academy and its graduates.

ART. 2. Any one who has successfully pursued the course prescribed by the Academic Board for his class, at the Academy, shall be deemed a graduate, and shall be entitled to become a member of this Association by assenting to the Constitution and By-Laws (except as provided in Art. 3).

ART. 3, SEC. 1. The dismissal from the Navy of any graduate, or the severance of his connection from any Government service by reason of moral disqualification, or the conviction of a graduate in a court of justice of an infamous offense, shall constitute a sufficient ground for his exclusion from the Association if not a member, and for his expulsion if a member.

SEC. 2. It shall be the duty of the Secretary to keep a record vote of those present at the regular annual meeting.

ART. 4, SEC. 1. The senior living member of the Association, according to the numbered list of graduates, shall be the president, and in his absence the senior member present according to the same list shall preside at all meetings. The other officers shall be a Secretary and Treasurer and six members, forming a council of seven, who shall be elected at the annual meeting to serve until the election of their successors, at the next annual meeting.

SEC. 2. It shall be the duty of the Secretary to keep a record of all the graduates of the Naval Academy and a list of the members of this Association and to preserve the minutes of the annual meeting and all papers read thereat. He shall keep in a separate book the minutes of the Council.

As Treasurer he shall receive all money belonging to the Association and invest and expend the same as directed by the Council. He shall prepare and present for audit at the annual meeting a statement of all receipts and expenditures.

SEC. 3. It shall be the duty of the Council to make preparation for the annual meeting and dinner; to publish such documents as they may deem of general interest to graduates; to exercise due care in the investment and the expenditure of funds of the Association, to bring to the notice of the annual meeting any action that may become necessary under Art. 3; to fill any vacancy that may occur among the officers of the Association, and in general to take charge of all matters affecting the welfare of the Association.

ART. 5. There shall be an annual meeting and dinner at such time and place as may be determined by the Council, which all graduates shall be entitled to attend; but no one shall be entitled to speak or to vote at a meeting unless he be a member. Members unable to attend the meeting shall be entitled to vote by proxy in due form in writing.

ART. 6. The entrance fee shall be three dollars, which shall be in lieu of all dues. The expenses of the dinner shall be borne by those attending, at a cost not exceeding five dollars each. Any surplus from the dinner receipts shall be added to the general fund of the Association.

ART. 7. Honorary members may be elected at any annual meeting by a vote of two-thirds of the members present.

The Council only shall nominate persons for election as honorary members. Members who desire the nomination of any person for election as an honorary member shall present the name to the Council at least one month prior to the annual meeting.

ART. 8. The discussion of all topics inimical to the objects of the Association and any proceedings tending thereto, at any meeting, are prohibited.

ART. 9. No alterations, additions nor amendment shall be made to this Constitution except by the vote at two successive annual meetings of a majority of members present or represented by proxy in due form in writing. Provided, that the Secretary shall, at least one month before the meeting at which final action on a proposed amendment is to be taken, forward to all the members of the Association a copy of the proposed amendment and a notification of the action in regard thereto taken at the preceding meeting. A postal card addressed to the Secretary shall be enclosed with this notification and members shall be requested to register their votes, yes or no, according as they are in favor of or opposed to the proposed amendment, and to return the card to the Secretary. These cards shall be regarded as the votes of the absent members who have signed them and shall be duly recorded as such by the tellers appointed to canvass the vote.

---

BY-LAWS.

1. The general parliamentary law shall govern all meetings.
2. The order of business at the annual meeting shall be—
  - I. Roll call by the Secretary.
  - II. Filing of proxies.
  - III. Reading of the minutes of the last annual meeting and of any held subsequently thereto.
  - IV. Reports of out-going officers.
  - V. Election of officers.
  - VI. Reading of papers and correspondence.
  - VII. Unfinished business.
  - VIII. New business.
  - IX. Adjournment.
3. All members intending to be present at the annual dinner shall give due notice to the Secretary, that seats may be provided for them. Members wishing to speak at the dinner will notify the Secretary to ensure being called upon.
4. The seats will be arranged at the dinner, as nearly as possible, to bring those who were at the Academy at the same time in juxta position.
5. Honorary members shall be restricted to twenty members.
6. These by-laws may be suspended or changed at any regular meeting by a majority vote of the members present.

Graduates in U. S. Coast Guard.....	11
Graduates in U. S. Naval Reserve.....	52
Graduates whose whereabouts are unknown.....	63

## REGISTER OF GRADUATES

1846 to 1916

---

### NOTICE.

THIS REGISTER OF GRADUATES is corrected to June 30, 1916, and is as complete and accurate as it can be made from the information in possession of the Secretary. It is manifestly impossible for him to keep track of all the graduates out of the service without their active co-operation, and they are earnestly requested to inform the Secretary of any change in their addresses, in order that the records of the Association may be correct.

As it is the intention of the Association to reprint this Register from time to time, it is requested that the attention of the Secretary be called to any errors or omissions, and that he be supplied with any information tending to make it complete; particularly information regarding the date and place of death of those graduates who are known to be dead, but whose deaths are not noted in the Register.

The names of deceased graduates, and the present addresses of graduates out of the service, when known, are put in italics. The addresses of those graduates on the active or retired lists of the several Government services, are not given. Officers of the Navy can be reached, care of the Navy Department; officers of the Army, care of the Adjutant-General, War Department; and officers of the Coast Guard, care of U. S. Coast Guard, Washington, D. C.

Address all communications: Secretary-Treasurer, Naval Academy Graduates' Association, Annapolis, Maryland.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work.

This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work.

As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
